

CONSTRUCTION

QUALITY, CARE, COMMITMENT

MISSION STATEMENT

Warlyn Construction is dedicated to satisfying the construction needs of clients with varying building requirements. We pride ourselves in completing projects on time, on budget and with the highest level of quality, care and commitment.

OVERVIEW

Founded in 1987, Warlyn Construction is recognized as a leader in the Ottawa construction community. Warlyn Construction constantly strives to exceed their own corporate demanding standards, and is committed to working closely with all clients, to deliver high quality work in a timely, safe and cost effective manner

In the past 17 years, Warlyn Construction has successfully completed a wide range of projects from moderately priced renovations, to major construction projects with budgets exceeding \$10,000,000. Specializing in Commercial, Industrial, Institutional, and High-rise construction, primarily in the Ottawa-Hull Region for the small and medium size market, Warlyn Construction is also flexible enough to successfully complete larger projects to meet the changing demands in the market place.

Warlyn Construction chooses to work with craftsmen, of the highest quality, who share the same commitment to the client, and can therefore confidently execute a wide variety of projects. In addition to sound relationships with sub-contractors, Warlyn Construction also maintains solid relationships with architects, engineers, and consultants.

Warlyn Construction is an active member of the Ottawa Construction Association, the General Contractor's Association of Ottawa, the Ontario Home Warranty Program, and the Canadian Federation of Independent Business. Warlyn Construction also has approved accreditation through the Canadian Construction Association's Gold Seal program and has been awarded several certificates for their outstanding work.
